

## Off Site Lodging Options

Please find a cross range of lodging at a range of prices. We know some folks will travel with family or may wish to make a vacation of the trip. Some facilities suggested that you contact them directly to make reservations rather than going through a third party site. All facilities provide WIFI. See sites for more info on each option.

Sharing a room with a fellow conference attendee is a possibility to keep costs down. [Contact us](#) if you want help matching with a roommate.
